ABOUT US

- Founded in Guatemala and Located at “La Aurora International Airport”. Our team has over 75 employees and operations throughout the Central America Region and Caribbean.

3

SAFETY

- **Safety** is our main Goal and therefore we have developed a Safety Management System (SMS) which includes an Emergency Response to Disasters.
- That enables us to ensure comfort and safety of our customers and coworkers.

4

NOW we are ready

We are ready to implement the assistance any time is need it.

- HUMANITARIAN ASSISTANCE AND RESPONSE TO DISASTERS
