Key Takeaways for Preparation

- Establish a formal plan
 - Practice and rehearse!
- Develop and/or review checklists
- People are your best asset
 - Importance of strategic partnerships and frequent communication
 - Build relationships and networks ahead of time
 - Consider Memorandums of Agreements with key partners
- Take care of your team and families
- Have printed copies (do not rely on the internet)
- Be flexible and adaptive
- Raise awareness of hurricane season (go-bag, PSAs, etc.)

3

Actions

- Organizers Share Templates
 - Generic Airport Emergency Plan
 - Airport Condition Reporting Form
- Delegates should update their respective lists and rosters
 - External POCs
 - Internal staff rosters
 - Supplies and commodities (expiration dates)
- All Participants
 - Continued discussions and networking
 - Determine opportunities for future connections and possible future workshops
