COMM

COMMUNICATION

PAT/AB/AND/GA

- **Develop standardized communication protocols** to overcome language and procedural barriers.

TRT/COL/JTEX

- **Foster trust and collaboration** through regular joint exercises, which allow teams to build relationships before crises occur.

ENG/LOCO/RE

- **Actively engaging local communities leaders and regional experts** to enhance situational awareness and ensure culturally sensitive decision making.

INV/CUT

- **Invest in intercultural training** for responders at all levels.
